

**For Hire:** One slightly whimsical and extraordinarily vibrant illustrator. Has a passion for art, music, and stories. Exceptional with lines and colors; possesses a sharp eye for detail and copious amounts of creativity. Works mainly in a bold, animated style with a hint of eastern influences, but loves to experiment. Strongly versed in Adobe Photoshop and Illustrator, Corel Painter, and traditional media such as marker and colored pencil. Well suited for children's book or conceptual illustration; character design; science fiction or fantasy genres; storyboarding, comic book, or sequential art. Requires reasonable salary, health care benefits, and a good deal of freedom for creativity and imagination.

**Skills:** Daily use of both Macintosh and PC operating systems, artistic skills and experience including traditional and digital media, 10 years work with graphics programs, basic HTML and CSS skills, conceptual and cleanup art, storyboarding and comic layout.
